EVERYTHING  
FOR  
THE HOME

HERE IS FANTE'S 1962 CATALOG WHICH YOU RECENTLY REQUESTED.  
WE ARE LOOKING FORWARD WITH PLEASURE TO SERVE YOU IN THE NEAR  
FUTURE.

#### HOW TO ORDER

##### THE ORDER FORM

AN ORDER FORM IS SUPPLIED WITH EACH CATALOG, AND IS PACKED  
WITH EACH ORDER, FOR YOUR USE. IT IS NOT NECESSARY TO USE A FORM,  
OF COURSE, BUT IT DOES HELP TO REMIND YOU TO TELL US QUANTITY, SIZE,  
COLOR, ETC. PLEASE PRINT YOUR NAME AND ADDRESS, SO WE DON'T MAKE  
ANY MISTAKES IN ADDRESSING YOUR PACKAGE. IF YOU ARE SURE TO FILL IN  
BLANKS, IT WILL HELP US AVOID ERROR, TOO.

##### PAYMENT

PLEASE TRY TO SEND THE EXACT AMOUNT OF PAYMENT NEEDED.  
THIS MAY BE IN CHECK OR MONEY ORDER. WE TAKE SPECIAL PAINS TO  
HANDLE CASH CAREFULLY. HOWEVER, WE DO ADVISE AGAINST SENDING CASH  
UNLESS ABSOLUTELY NECESSARY. EXCEPT WHERE NOTED, ALL ITEMS ARE  
SHIPPED PRE-PAID. OCCASIONALLY, ON LARGER ITEMS IN THE CHINA SECTION,  
YOU WILL SEE THE WORDS, F.O.B. PHILA. THIS MEANS THAT THESE ITEMS  
WILL BE SHIPPED TO YOU, YOU PAYING ALL SHIPPING CHARGES.

##### C. O. D.

SOME PEOPLE PREFER TO HAVE THEIR ORDERS SENT C.O.D., AND  
THEY PAY THE POSTMAN UPON DELIVERY OF THE PACKAGE. THIS IS CONVEN-  
IENT FOR THOSE WHO CANNOT SEND A CHECK OR MONEY ORDER, BUT IT MUST  
BE BORNE IN MIND THAT IT ALSO COSTS MORE, BECAUSE THE POSTAL DEPART-  
MENT LEVIES A COLLECTION AND A MONEY ORDER FEE FOR THIS SERVICE,  
WHICH IS TO BE PAID BY THE CUSTOMER. IF YOU ORDER BY C.O.D., PLEASE BE  
PREPARED TO ADD FROM 50 CENTS TO A DOLLAR OR MORE TO THE COST OF  
YOUR ORDER, DEPENDING UPON THE TOTAL PURCHASED. WE MUST ALSO AD-  
HERE TO THESE RULES.

1. WE CANNOT ACCEPT C.O.D. ORDERS FROM THOSE ORDERING FOR THE  
FIRST TIME. PLEASE PAY FOR YOUR FIRST ORDER BY CHECK OR MONEY  
ORDER, OR CASH IF NECESSARY.
2. WE ARE NOT ALLOWED TO SHIP C.O.D. PARCELS TO CANADA OR OTHER  
FOREIGN COUNTRIES.
3. PLEASE DO NOT REFUSE A C.O.D. PACKAGE. IF YOU HAVE A QUESTION OR

COMPLAINT ABOUT THE ORDER, OR FIND YOU NO LONGER NEED THE MERCHANDISE, PLEASE ACCEPT THE ORDER, THEN WRITE TO US ABOUT IT. THE C.O.D. SERVICE IS MAINTAINED AS A CONVENIENCE TO THOSE DESIRING IT, BUT ABUSE OF IT MAY LEAD TO ITS DISCONTINUATION.

NOTE PLEASE DO NOT ASK FOR C.O.D. SHIPMENT ON YOUR FIRST ORDER.

PLEASE DO NOT ASK US TO SEND YOU HALF SETS, OR QUANTITIES SMALLER THAN THOSE LISTED.

IN A HURRY?  
THEN READ THESE SUGGESTIONS

IF YOU REALLY NEED YOUR ORDER BY A CERTAIN DAY, PLEASE TELL US RUSH IT, AND GIVE THE DATE NEEDED. WE LIKE TO COOPERATE WITH YOU, AND REALIZE THE HARDSHIPS FOR YOU WHEN THE ORDER DOES NOT COME ON TIME... BUT PLEASE BE REALISTIC. IF WE GET THE ORDER ON TUESDAY, WE JUST CAN'T GET IT TO TEXAS BY THURSDAY, UNLESS IT GOES AIR MAIL, AND THE COST IS OFTEN PROHIBITIVE. PLEASE KEEP THESE FACTS IN MIND. REGULAR MAIL TAKES FROM TWO TO SIX DAYS TO REACH US, DEPENDING UPON DISTANCE, HOLIDAYS, WEEK-ENDS, ETC. AIR MAIL USUALLY REACHES US IN A DAY OR TWO, SO IF YOU WISH US TO RUSH THE ORDER TO YOU, PLEASE RUSH IT TO US...BY AIR.

IN THE PHILADELPHIA AREA, PLEASE TELEPHONE YOUR ORDER IN TO US AT WA 2-5557, AND WE WILL DO OUR BEST TO SPEED IT TO YOU.

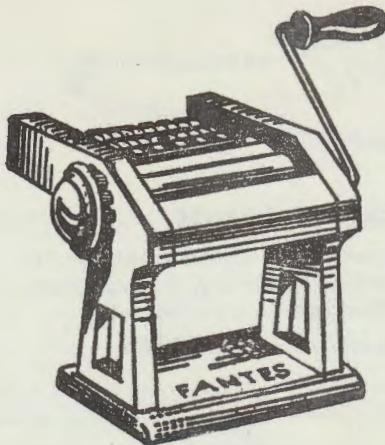

IT ORDINARILY TAKES A DAY OR TWO TO PROCESS AN ORDER, BUT WE CAN SPEED IT UP A BIT. DO GIVE US TIME TO HANDLE IT CORRECTLY, HOWEVER. IT TAKES FROM TWO TO TEN DAYS FOR PARCEL POST TO BE DELIVERED, AGAIN DEPENDING UPON DISTANCE. TEXAS, CALIFORNIA, FLORIDA, ETC., TAKE A GOOD WEEK, AND MUCH MORE, IF THERE ARE HOLIDAYS AND WEEK-ENDS INTERVENING.

IF THERE IS NOT TIME ENOUGH FOR REGULAR PARCEL POST, PLEASE ADD ABOUT 65 CENTS FOR SPECIAL DELIVERY. WE CANNOT ASSUME THIS EXPENSE FOR YOU, AND IF IT IS NOT SENT TO US, THE ORDER WILL GO OUT REGULAR MAIL. AIR PARCEL POST IS USED ONLY WHEN COST IS PREPAID. ASK YOUR POSTMASTER FOR APPROXIMATE RATE. WE'LL DO OUR PART, YOU DO YOURS, AND THE ORDER WILL REACH YOU IN TIME.

#### IMPORTANT NOTICE

BECAUSE OF EVER INCREASING HANDLING COSTS, IT HAS BECOME NECESSARY FOR US TO ASK THAT YOU ADD 30 CENTS TO EACH ORDER WHICH TOTALS LESS THAN \$ 3.00, TO COVER THE COSTS OF PROCESSING YOUR ORDER. PLEASE REMEMBER THIS FEE IF YOU MUST SEND ONLY A SMALL ORDER, SO THAT THERE WILL BE NO DELAY IN SHIPPING.

BECAUSE OF HIGHER POSTAGE, WE ASK THAT FOREIGN CUSTOMERS PLEASE ADD 10% TO THE TOTAL OF THEIR ORDER. THANK YOU.

### SQUARE ANGEL FOOD CAKE PANS

Have YOU made square angel cakes yet? If not, we believe you are in for the most pleasant surprise, when you get your square angel pan. A square cake is easier to ice, to decorate, to cut and to serve. When you wish to serve a "topping" on the cake, you have nice flat pieces instead of wedges. This pan has four cooling legs, measures 9 x 4, and is perfect for your favorite recipe or package mix for angel food. Removable bottom and core, too, for taking out the cake without breakage. Aluminum, of course.

### COOKIE DROPPER

Here's a kitchen helper that's one of our favorites. It's been needed for generations, but took a Foley employee to think of it. You'll want to make so many drop cookies . . . chocolate chips, and such . . . just for the fun of using the cookie dropper. Simply made of gleaming stainless steel, dropper is even simpler to use. Merely scoop out a bit of dough the desired size, squeeze handle together, and lever will deposit dough on the cookie sheet, right where you want it. Only one hand is needed, and there's no guesswork of the two-spoon method.

This sifter is beautiful, it's practical, and quite a time-saver, too. With its easy, trigger handle, you merely squeeze and sift your ingredients not once, but three times at once! Superbly made by Foley, holds five cups, to save you time in measuring as well. Pretty enough to be decorative and simply perfect as a gift.

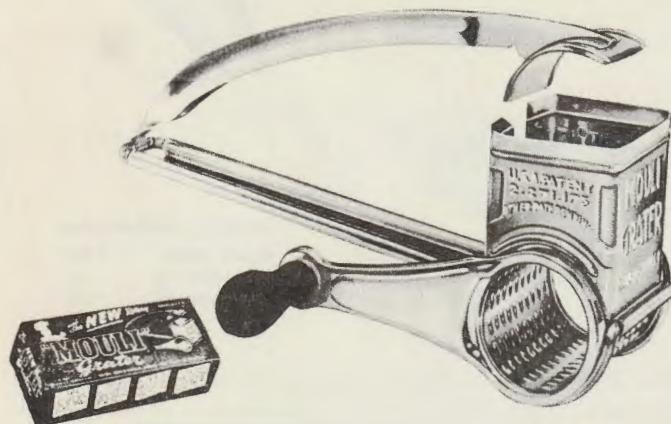

No. FO-139..... \$ 2.98

### POPSICLE MOLD SUPREME

For years, the children have begged for frozen suckers, especially on warm days, and we have tried one mold after another. Until now, nothing was entirely satisfactory . . . but now! Now we offer you what we consider the perfect popsicle mold. Semi-flexible white plastic tray with eight deep, round cups attached, and colorful covers to form the handles, are but part of the wonderful features of this mold. You get ten covers, in case some are misplaced. Each cover has a handle to the top, and below it extends a perforated strip, which is imbedded in the popsicle . . . when ice is completely frozen, handle cannot come out! Mold stands by itself in freezer; you remove one or all popsicles, as needed (merely warm each mold a bit with your hand, twist the handle slightly and pull popsicle out). Use with nectar, juices, pop, etc. And children love them in any kind of weather!

**CAROUSEL SET**

Each of these lifelike celluloid animals is mounted on a clear, stiff plastic post or straw . . . in fact, our little 5-year old thought they would be fun to drink from at a party! The canopy is heavy plasticised paper, with red and white stripes and above each animal post will wave a gaily colored pennant. Such a gay ornament to top a child's Happy Birthday cake! Each animal measures about 3". Candy-striped sturdy center post.

**BOY SCOUT AND TENT SET**

This set for special occasion decorating will help out many a Scout troop committee. The theme of camping is shown here, but without the tent and tree, you can depict some other phase, if desired. Tree is on firm standard, is bushy and real looking. Tent is simple fold, can be set up in a second, flag is on white plastic standard, Scout is dressed in short summer uniform. All pieces are small, to fit on a cake top.

**TEENAGER**

Such a typical pose! Cute china teenager with pony tail and short slacks leans back in the so-called comfortable position shown, to listen to records. Tiny record player comes equipped with two miniature records, and the combination makes a terrific decorating idea for your teen ager's cake! Beautifully made, too.

No. X-7204....TEEN AGER SET.....\$ 1.19

**GOLF COURSE SET**

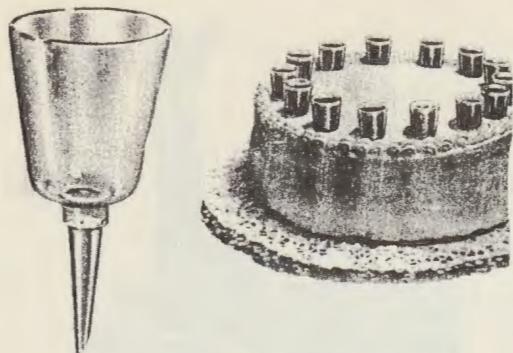

For your favorite golfer, bake a cake with a theme! Realistic-looking mounds of plastic earth, with three flags and three clubs. Your cake will "tee off" in grand style, and you won't even need to work hard . . . set the course in place, pipe on a little border, and you're set.

No. X-7042 GOLF COURSE SET COMPLETE

**HUNTERS OF THE JUNGLE**

Jungles and their mysteries and dangers still hold a fascination for both boys and girls, and for professional hunters as well. Though this ornament would be excellent for a child's cake, it could easily be used for a cake for a person leaving for Africa or similar spots, whether their purpose be to hunt wild animals or to serve as a missionary. It is amazing that such a ferocious scene could appeal to so many types of people . . . but it does! Set consists of four hunters and guides, a lion, giraffe, and ape, the latter probably perched on the roof of the little hut, as shown. Quickly set up, and permanently usable.

No. X-7299 HUNTERS OF THE JUNGLE COMPLETE

**PETITE TOAST GLASSES**

Entertain in a gracious way, at a surprisingly low cost. Fill the sparkling clear goblets with your favorite wine, punch or liquor and propose a toast to the honored guest, or to the occasion. If desired, each guest may then keep the goblet as a memento. May also be used as candle holders. Clear plastic reveals exact color of beverage served, and adds to beauty of cake. Would be charming on individual cakes. Entire glass, including stem, about 2" high, break resistant.

No. X-7035.....2 DOZEN.....\$ .98

**PARTY ANIMALS**

There are many ways you can delight the kiddies with these gaily colored plastic animals. One side is flat, and other is an amazing reproduction of favorite animals of children's dreams. A removable two-way pin permits animals to stand either upright on the cake, or to be placed flat, against the sides of the cake. This gives you the opportunity for more imaginative decorating. Set includes buffalo, prancing horse, rhinoceros, monkey, bear, elephant, lion, kangaroo.

**OUT OF SPACE SET**

This is really an un-earthly combination, to decorate a boy's cake in this space age . . . don't ask us the titles of the ornaments, but any science fiction fan can tell you that the men are wearing . . . suits, and the gun turrets on those flying tanks can disintegrate everything in sight!!! Let your little guests dream of blasting off in that rocket, emulating the creatures shown here. Set made of paper and washable plastic.

No. X-7290....SET COMPLETE.....\$ .95

**RODEO CAKE SET**

Boys still delight in the excitement of a rodeo, and still thrill at the prospect of having a Rodeo Birthday Party. To help carry out the theme in the cake, top it with this easily set up kit consisting of brown plastic ranch fence, three horses, three bronco busters, and one extra man watching, just in case. The kids will love it, and you will too, for its simplicity and washability. Use again, or let the boys play with it . . . very durable.

No. X-8544....RODEO CAKE SET COMPLETE \$1.00

**CORRAL FENCES**

Simply can't use a picket fence around a ranch, can you? Well, no need...we have here the most real-looking brown fences of plastic made to look like roughly-split lumber. Each section is 5 $\frac{1}{4}$ " long and 1 $\frac{1}{4}$ " high, to fence in all the wild western riders and broncos.

#### GRADUATE HEADS

At your graduation party, you may want individual cakes . . . And this is the best way to top them off. Black chenille arms hold a diploma, and atop the round white collar is a composition head and mortar board cap. Girl has fuzzy hair showing.

#### PLASTIC DOLL FACE

These faces are so cunning they make one want to smile right back. They are beautifully molded of cloth impregnated with plastic, and colored very realistically. There is no back, and the face is hollow, so they are ideal for making cloth dolls, puppets, decorating muffs, earmuffs, and many things we haven't yet tried. Our Brownie troop made puppets for the hospital children's floor . . . the Brownies learned much and enjoyed it, and the recipients were thrilled. Have your group try it, for it's easy, quick, and fascinating. 2½x3".

#### GRADUATION PLAQUE ORNAMENT

An ornament that is extremely simple to use, yet elegant in its simplicity of design. Upon a white gum-paste base edged in gold is a black graduation cap with gold tassel, and gold foil script bearing the words Congratulations or Graduation (no choice of wording). Also as part of the ornament is a miniature diploma tied with red ribbon, and bearing the traditional wording of the certificate of graduation, with spaces to be filled in with the name of the graduate. Place these upon a relatively simple cake, pipe a border and your decorating is done.

No. X-6050.....3 3 4" DIAMETER.....\$ 1.35

#### GRADUATING GIRL ORNAMENT

The little cottonhead and chenille girl here celebrating her graduation knows no age. The ornament would be just as appropriate for kindergarten or grammar school graduation as for one from the university. Fan-shaped white ruffled edge is light and fresh appearing. Girl wears curly hair, black hat, white collar and diploma, and is flanked by red carnations and encircled by a cloud of white nylon fluff. Ornament punctures cake top with sturdy wooden skewer, but is not marred by icing, because cello doily on skewer protects it. This is a most appealing and economical ornament that we know you will love. Stands 5" above cake.

No. X-7256...GRADUATING GIRL.....\$ 1.95

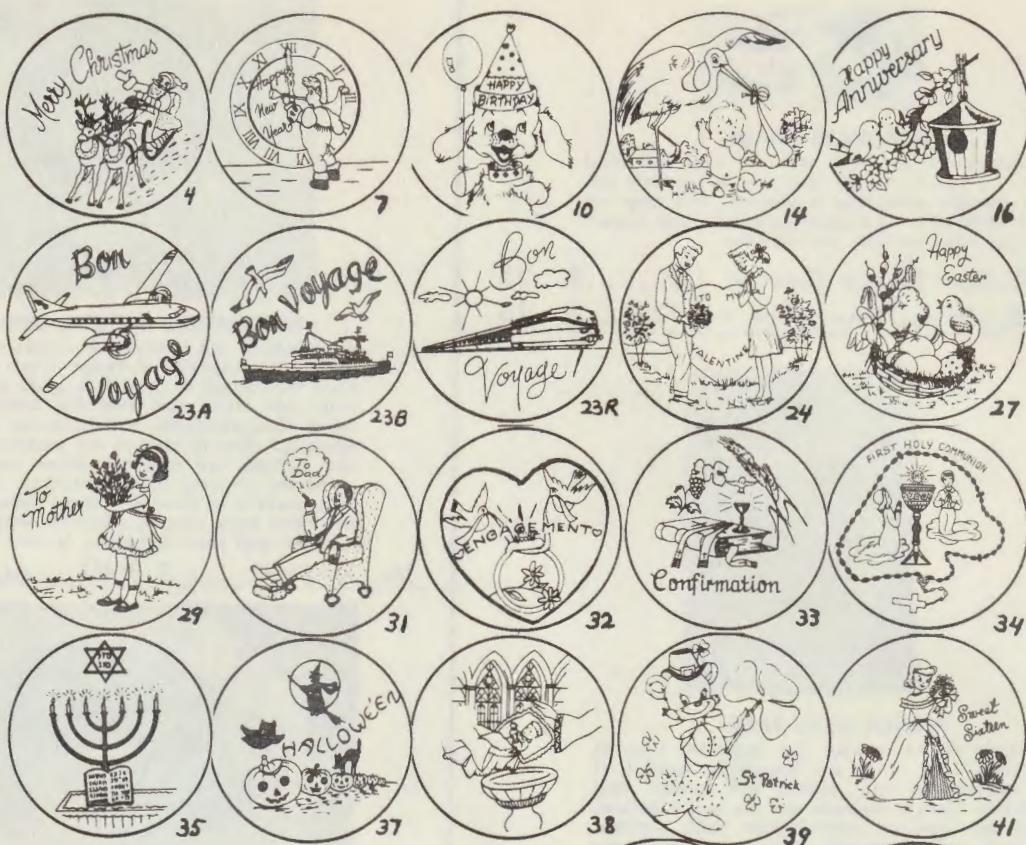

#### DIPLOMA

Your guests will want to keep them, not eat them . . . but they could! Made of edible white wafer paper edged in yellow to resemble faded parchment, mock diploma is rolled many times to form a scroll 4½" long and ¾" thick, tied with ribbon. Use for individual place settings or as cake designs.

ILLUMINATED PLASTIC CHURCH

Pretty white plastic church with gold bell in belfry tower lights up a welcome when plugged in. Makes ideal centerpiece or mantel decoration for Christmas, weddings, and such occasions, also top decoration for larger cakes. Light weight (made by Noma).

No. X-6995.....\$ 2.50

What is more beautiful to see than the graceful outline of a swan? Because of this loveliness, the swan is often used to decorate wedding cakes. For a cake that does not have too many icing decorations, this white styrene separator set, with swan pillars, is ideal. It is easy to assemble, and easy to store when not in use. The swan pillars form an airy separation between the tiers of cake, and the narrow posts you see pass through the cake, to bear the weight of the upper tiers. Sets and separate tiers come complete with two plates, four pillars and four posts. Each post is 3 1/2", which should also be the height of your cake tier for perfect alignment. Pillars come in two heights, except for extra large diameters, which are available in the 4 1/2" columns only.

CLERGYMAN AND GRADUATION FIGURES

Very appropriate for church or school affairs. They will be cherished for a long time. CATHOLIC PRIEST, MINISTER, RABBI OR GRADUATION BOY OR GIRL. Each \$ .65

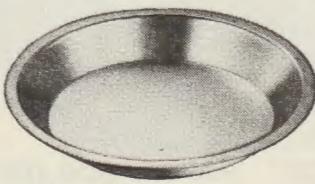

**DECORATIVE HEADS ON STICKS**

Take a cupcake — just any ordinary cupcake — or a salad, a cake square, or other rather firm food, and turn it into festive party fare with a decorative and gay head! Each of these special decorations is mounted on a wooden stick (with the exception of the fuzzy bunny and chick), and can be inserted easily, to stand securely and erect. Heads are about 1" in diameter, are carefully painted, with appropriate hats added for special occasions. For variety, fasten to back of place-card, with only face showing. Choose from the list below for your next party . . .

The manufacturer calls this scale the Answer to a Cook's Dream, and he's not exaggerating! Weighs up to 10 lbs., showing each ounce, and indicates the cup measurements of butter, flour, sugar and milk. Easy to read, too. And get this . . . after you have weighed one ingredient (using the actual mixing bowl as container) you leave it there, and just move the dial back to zero, to weigh in the next ingredient . . . a wonderful time saver! Carefully made, scale measures approximately 10 x 6 x 6½, and is finished in white enamel. Stainless steel platform. You need this for following foreign recipes or commercial bakers' formulas.
